BIANCO GINESTRA

IGP Vigneti delle Dolomiti

Type Still white wine.

Grape variety Riesling.

Production area Roverè della Luna.

Soil composition Sandy, alluvial, and porphyritic soils.

Winemaking Gentle pressing, static cold settling, fermentation at a controlled temperature of 16°C, followed by extended ageing on the lees, exclusively in stainless steel tanks.

Bouquet Reminiscent of white flowers and almond aromas, complemented by pleasant notes of citrus freshness.

Palate Its distinctive salinity and mineral character lend the wine a unique depth, creating a rich and rewarding tasting experience.

Serving temperature 10 - 12° C.
