LAGREIN SUSINO

Alto Adige DOC

Type Still red wine.

Grape variety Lagrein.

Production area Margreid on the Wine Road.

Soil composition Sandy, alluvial soils.

Winemaking Destemming and short skin maceration, followed by gentle pressing and cold static clarification. Fermentation takes place at a controlled temperature of 18°C, followed by extended ageing on the lees, exclusively in stainless steel tanks.

Bouquet A wine of remarkable intensity, with enveloping aromas of blackberry and plum, complemented by notes of chocolate and a delicate hint of coffee. Distinct scents of very ripe blueberry and blackberry clearly emerge.

Palate This wine, distinguished by its strong personality, features a significant tannic structure that contributes to its appealing complexity, providing a well-structured and satisfying tasting experience.

Serving temperature 16 - 18° C.
